**\*\*Please note:** We must receive you wired funds no later than \_\_\_\_\_  
You should authorize your bank to wire as early as possible on the business day indicated above to insure that we receive your wire the same day. Please Contact your bank as early in advance as possible to determine their cut off time for outgoing wires, which can be as early as 11: am that day. Wires processed after the cut off time may not be received until the following banking day and could delay your shipment.
